United Kingdom Recommended Retail Price List; SUMMER 2010 rev 007

Note – prices will vary from country to country due to import duties. Pages are colour coded to correspond with the section/page numbers of the main catalogue.

Catalogue Section	Product Description	Product Code (Please quote at time of ordering)	Price UK £
COMMERCIAL General Purpose Section 1 - Page 8	NOTE - ALERTING UNIT = TRANSMITTER (PLB), BASE UNIT = RECEIVER most BASE UNITS include a number of ALERTING UNITS as part of the package BASE UNIT - SARfinder1003 MKII Man Overboard Locator Unit package. Includes NMEA CREWFIX GPS plot facility and 2 × Alerting Units; 1 × LIVE 121.5MHz and 1 × TEST 121.65MHz. The Alerting units in this package can be either 100mW or 500mW power output please select the correct product code when ordering.	02-002-NMEA-AU9 100mW	2495-00
		02-002-NMEA-AU9 500mW	2595-00
COMMERCIAL General Purpose Section 1 - Page 9	BASE UNIT - SARfinder1003 MKII Transportable Locating Unit. Includes 2 × Alerting Units; 1 × LIVE 121.5MHz and 1 × TEST 121.65MHz. The Alerting units in this package can be either 100mW or 500mW power output please select the correct product code when ordering.	02-002-TP-C-Promo-AU9 100mW	2950-00
		02-002-TP-C-Promo-AU9 500mW	3050-00
COMMERCIAL General Purpose Section 1 - Page 10	BASE UNIT - Crewguard CG-121 MKII NMEA MOB monitor alarm package. Includes 1 × ALERTING UNIT –AU9 live 121.5MHz either 100mW or 500mW power output please select the correct product when ordering.	02-112-S-AU9 100mW	775-00
		02-112-S-AU9 500mW	825-00
COMMERCIAL General Purpose Section 1 - Page 11	ALERTING UNIT - AU9 Live 121.5 MHz 100mW power output	AU9 100mW LIVE-121.5MHz	199-00
	ALERTING UNIT - AU9 TEST 121.65 MHz 100mW power output	AU9 100mW T1 121.65MHz	249-00
